

NMB church Leaders for “Good Values, Ethics and Clean Living” – 2020

Nelson Mandela Bay declaration – The Church of Jesus Christ.

We the members of the NMB Church Leaders Network declare that God has a perfect will and plan for South Africa. We recognize that the nation of South Africa needs Godly ethics, values and clean living. We are responding to God's call to bring transformation and renewal in South Africa by taking responsibility for raising the standard of ethics, values and clean living in our land.

As a result we declare that we shall establish Godly authority in this nation by:

To this end we commit ourselves with humility and boldness under God's power and guidance.

2 Corinthians 4:1-2 (The Message)

Since God has so generously let us in on what he is doing, we're not about to throw up our hands and walk off the job just because we run into occasional hard times. We refuse to wear masks and play games. We don't manoeuvre and manipulate behind the scenes. And we don't twist God's Word to suit ourselves. Rather, we keep everything we do and say out in the open, the whole truth on display, so that those who want to can see and judge for themselves in the presence of God.

(Note to reader. This wording was extensively borrowed from a declaration made by the then regional leaders of Unashamedly Ethical in October 2012 and titled The Potchefstroom Declaration. See Chapter 6)
