

Nelson Mandela Bay Civil Society Coalition Pledge Form

The Nelson Mandela Bay Civil Society Coalition, representative of a multi-stakeholder group, has been reignited due to concerns about the **political instability** which has rendered the Municipality dysfunctional and unable to deliver **services** to residents. Key priority areas include ensuring **political stability** in the city, **engaging** with civil society groupings representing the wider community, promoting a culture of **volunteerism**, finally leading to the **resurgence** of Mandela Bay.

I commit to adhere to the shared values of unity, integrity, accountability, action and activism.
